“ It was a great honor to have known Roger McDonald. He made me feel like family the minute we met. Everything I ever heard him say or do was true and full of good sense. A man of integrity, he was a brave Democrat and a true blue American who lived the best of what the country stands for. I would have come to his service if I had heard soon enough, and send my deepest condolences to his family and other friends. He will be greatly missed. Love, Elizabeth Barger.

“ I met Roger in Vietnam and he was assigned to my squad as an infantryman. Yes, I trained with him, fought battles with him in the jungles, shared meals together with him and we both formed a brotherhood together. And after Vietnam I stayed in touch with him in Tennessee with his lovely wife Nancy!

You will always be in my thoughts and prayers Nancy - feel free to reach out to me day or night for anything that I may be able to help you with! With all my love, Bob Scheurer
